Edward	<ul style="list-style-type: none">- Verify applications on different platforms	<ul style="list-style-type: none">- Project documentation, release notes, final checklist items	<ul style="list-style-type: none">- None
Mikail	<ul style="list-style-type: none">- Add tests for the other features added in this sprint and any that are missing- Tests for shared subproject	<ul style="list-style-type: none">- Do a thorough test of the app and look for and fix any broken features that found	<ul style="list-style-type: none">- None

Outstanding

Do we need help with anything?

Decisions

Is there anything else we should capture from this meeting?
