CS 346: Daily Standup

Team #: 204   Date: March 31, 2023

Questions

Enter comments below. If a team member is absent, fill in their name, and put a line through the answer section.

Name	What have you completed since last meeting?	What are you going to complete today?	What obstacles are in your way?
York	- Polished things from last sprint + bug fixes - Dark mode	- Component locking	- None
Mikail	- Added test coverage	- Make the chat panel smaller so it fits on the screen without overlapping the tool bar when window is at smallest size (make the width smaller and reduce size of textfield & send button) - Use themed icons for expand icon & send icon (ask York for .png) - Make it so that chat scrolls to bottom automatically when new message is received	- None

		- Scrolling to bottom animation should be made smoother	
Edward	- Working on fixes for menubar	- Dark mode and localhost/service persistence	- None
Avesta	- Began Server-side work for whiteboard creation and sharing flow	- Finish the server-side work and start the client-side UI	- None

Outstanding

No
